At the Beaver County Humane Society, our **mission** is to protect and enhance the lives of all domestic animals and to promote kindness and respect for all living creatures. Our **vision** is a community that supports a humane, sustainable, and compassionate environment for all animals. The challenges facing homeless pets in Beaver County and surrounding areas are a stark reminder of why BCHS is needed now more than ever.

BCHS works tirelessly to serve **over 4,000 animals each year**— and you may be surprised to learn we are not funded by any national animal welfare organizations. As a 501(c)3 non-profit, BCHS relies solely on grants, donations, and our Corporate Partners to help us keep the doors open. **That's where you come in!**

Your participation in our Corporate Partnership program helps us give innocent, defenseless animals a second chance. We can be even stronger with **your** support! We welcome you to be a part of the BCHS community, which includes over 30,000 loyal and appreciative social media followers, thousands who visit our website each year, and hundreds who attend our fundraising events. **Join us today!**
